Miyako Island
Finding YOUR MIYAKO BLUE

Have you heard of the color called "Miyako Blue"? It is neither blue nor green. It is a blue created by the Miyako Island's nature. Miyako Blue changes its expressions with the seasons and the weather, but its beauty remains unchanged and embraces the skies and sea of Miyako Island.

Why don't you visit and find your favorite Miyako Blue?
Miyako Islands  宮古諸島  ミヤコ諸島

The Miyako Islands group consists of six islands, centering around Miyako Island, and the two "secret islands" Tarama Island and Motobu Island. Here, you will find a beautiful blue world that the islanders have continued to protect.

Tarama Island is a small island with a perimeter of just about 1.5km. Tarama Village, together with Minna Village, are the only villages in Okinawa Prefecture to be designated as one of "The Most Beautiful Villages in Japan". The island’s harvest festival, the "Augest Festival", has been designated as an important intangible cultural asset. Here is an Okinawan island where you will discover a harmony of nature and the islanders’ traditional lifestyle.
